Department for Education and Child Development

IN ZONE ENROLMENT: GENERAL INFORMATION

PROOF OF RESIDENCE – GOVERNMENT STUDENTS

To ensure that the enrolment process is fair and equitable to all students it is important that residency details are correct and can be verified.

1. A **gas or electricity bill** stating the new residential address (not a business address) and the name of the parent/guardian. The utility bill should be recent. **Telstra and water rates bills will not be accepted** as parents/guardians may receive these invoices for additional rental properties or businesses that they may own.
2. A copy of the property's Contract of Sale (if the home is the permanent residence - together with a current Utilities bill)
3. If the parent/guardian is renting then they should provide a **rental agreement and a bond receipt (from the Residential Tenancies Tribunal)** stating where the parent/guardian is currently, or will be, residing over the next 12 months. For the purpose of zoning, **the rental agreement needs to cover at least 12 months** of the student's first year at the school.
4. If a student states that they are residing with a relative/friend, then supporting documentation stating that the relative/friend is the legal guardian of the student is required. This documentation must include a Parenting Order from the Family Court, which states that the relative/friend is the formal full-time carer of the child/student. **Statutory Declarations are not considered to be sufficient documentation in this regard.**

RENTING OF A ROOM(S)

The renting of a room or rooms at a property, **does not meet the department's Enrolment Policy criteria.** A child or student's zoned school is determined according to their primary place of residence. One or two rooms does not constitute a primary place of residence. Families must therefore rent an entire property in order for it to be considered their primary place of residence.

MAILING ADDRESS

An In Zone residence used as a mailing address is not proof of Primary Residence. If you are staying with a relative or friend temporarily you may apply for consideration as an out of zone enrolment.
