July Vacation Care

My Time Our Place

Dear Parents,

We would like to welcome new children and families who have joined our Vacation Care community. We hope you enjoyed your time with us and look forward to seeing you again in the future!

We would also like to welcome back all of our existing families. It's great to see so many familiar faces and we appreciate your commitment to our service.

The children enjoyed having the opportunity to make new friends from a variety of different schools and develop their social interaction skills and develop independence.

Due to COVID-19 the service was unable to go on any excursions however the service did have 4 visitors.

The 4 visitors included Henna Art, Stand- Up paddle boarding, Video Games Day and a Science Show!

The children enjoyed participating in the variety of activities that each visitor provided. The children enjoyed building on their teamwork, communication and fine and gross motor skills.

During our in days the children spent time on technology, playing on the playground, at the sandpits and on the basketball courts. The children also spent time participating in cultural craft activities such as creating serapes and colouring in mandalas.

Overall the children had 2 weeks of school holidays that resulted in lots of fun, laughter and creativity.
